

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Approve Plans and Specifications, Authorize Advertisement for Bids and Adopt Resolution Approving Proposition 1B Funding for Elm Street Overlay Project, Hutchins Street to Church Street

MEETING DATE: July 20, 2011

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Approve plans and specifications, authorize advertisement for bids and adopt resolution approving Proposition 1B funding for Elm Street overlay project, Hutchins Street to Church Street.

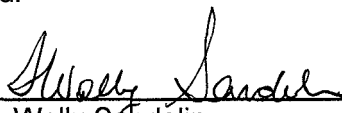

BACKGROUND INFORMATION: This project consists of installing asphalt concrete overlay with pavement fabric and other incidental and related work, all as shown on the plans and specifications for the project. The locations of the street improvements are shown on Exhibit A.

The existing pavement on this section of Elm Street has extensive alligator cracks and is in need of an asphalt concrete overlay. The existing pavement will be ground down one inch below the existing grade and new asphalt concrete pavement with pavement reinforcing fabric will be installed. The plans and specifications are on file in the Public Works Department. The planned bid opening date is August 16, 2011.

The City has received Proposition 1B funds from the State since April 2008, totaling approximately \$2,000,000, which includes accumulated interest. It is a requirement of the Proposition 1B funding program that formal action be taken to designate a specific project to be funded, in part or in total, using these funds. It is required that the funds be expended by the end of 2011. Per Council Resolution No. 2009-154, the funds were allocated to the 2010 street maintenance project to install asphalt concrete overlay on various street sections throughout the City. Approximately \$1,110,400 was spent on this project in 2010. Per Council Resolution No. 2011-50, \$889,600 was allocated to the 2011 cape seal project. Based on the bids for the 2011 cape seal project received on June 22, 2011, the project estimate was reduced to \$800,000. Staff recommends the balance of the funds, approximately \$85,000, be spent on the Elm Street overlay project.

FISCAL IMPACT: The project will reduce the street maintenance costs in the area.

FUNDING AVAILABLE: The project estimate is \$200,000 and will be funded through Proposition 1B and Proposition 42 funds. A request for appropriation of funds will be made at contract award.

RESOLUTION NO. 2011-111

A RESOLUTION OF THE LODI CITY COUNCIL
APPROVING ELM STREET OVERLAY PROJECT,
HUTCHINS STREET TO CHURCH STREET, FOR
PROPOSITION 1B FUNDING

=====

WHEREAS, Proposition 1B funds have been received from the State since April 2008, totaling approximately \$2,000,000, including accumulated interest; and

WHEREAS, Council Resolution No. 2009-154 allocated the funds to the 2010 Street Maintenance Project to install asphalt concrete overlay on various street sections throughout the City, and approximately \$1,110,400 was expended on this project; and

WHEREAS, Council Resolution No. 2011-50 allocated \$889,600 to the 2011 Cape Seal Project to resurface approximately 1,000,000 square feet of street surface throughout the City, but based on the bids received on June 22, 2011, the project estimate has been reduced to \$800,000; and

WHEREAS, staff recommends appropriating the remaining Proposition 1B funds, in the approximate amount of \$85,000, to the Elm Street Overlay Project, Hutchins Street to Church Street; and

WHEREAS, the Elm Street Overlay Project will install asphalt concrete overlay with pavement fabric within the project limits.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby approve Proposition 1B funding for the Elm Street Overlay Project, Hutchins Street to Church Street, in the approximate amount of \$85,000.

Dated: July 20, 2011
